## HH-CUR-24034

### Bendy Rail curtain rod kit

#### Item Code and Description

HH-CUR24034 . . . Bendy Rail 98"-long

#### General Product Description

- a. bendable rail for supporting shower curtains

#### Physical Characteristics

- a. made of aluminum and plastic
- b. aluminum channels are held together by plastic sleeve
- c. the gap between the aluminum channels forms a track in which to insert hooks for suspending curtains
- d. dimensions: 1 $\frac{3}{16}$ "  $\times$  5 $\frac{1}{8}$ "  $\times$  98"
- e. color: white
- f. includes mounting brackets for securing each end of the rail to a wall, and two drop rod assemblies for securing the rail to the ceiling
- g. aluminum drop rod is 24"-long
- h. includes fastener hardware for bracket and drop rod installation

#### Performance Characteristics

- a. bend rail to form a curve or multiple curves
- b. may be bent by hand (for increased precision and consistency, bend with the aid of a jig)
- c. each channel and sleeve move independently to accommodate the bending action
- d. bend to any curve desired; smallest curve possible has a 3" radius
- e. drop rod may be cut to length as needed using a metal-cutting blade
- f. aluminum channels may be recolored using paint appropriate for metal
- g. designed for hook & glide connectors (item code 24092)
- h. typically, bendy rails are used to support one or two curtains
- i. standard plastic curtain rings will fit around a bendy rail

#### Other Information

- a. 5-year limited warranty when installed in commercial settings
- b. 10-year limited warranty when installed in residential settings
- c. see AKW warranty for details

## AKW LIMITED WARRANTY

All AKW shower bases and pans carry a conditional lifetime warranty against material and manufacturing defects.

For all other AKW products installed in a domestic environment and used by a single residential family or occupancy group, AKW offers a conditional 10-year warranty against product material and manufacturing defects. Where the product is installed in a public or residential care environment, use is more frequent; as a result, AKW offers a conditional 5-year warranty against material and manufacturing defects for these installations.

AKW's liability under this warranty is limited to either repair or replace the product with an identical or reasonably equivalent product. In the alternative, AKW may refund, in full, the actual purchase price paid by ARC if the repair is not commercially reasonable or possible within a reasonable time and it is unable to supply a replacement product. We shall not be responsible for any associated freight, labor, other materials, damages or installation costs.

AKW's warranty will only apply to products which are installed fully in accordance with its instructions and local building codes. This warranty is not applicable if the product has been further modified in any way or removed from the original installation or has been subject to accident, abuse or misuse or if AKW has not been notified of the relevant defect within 90 days of first knowledge of the defect.

TO THE EXTENT PERMITTED BY LAW, ALL EXPRESS AND IMPLIED WARRANTIES INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED. AKW AND ITS AGENTS DISCLAIM ANY LIABILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Some states/provinces do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of special, incidental or consequential damages, so these limitations and exclusions may not apply to you.

AKW's warranty gives you specific legal rights. You may have other rights, which vary according to your state/province. This is the sole extent of the AKW exclusive written warranty.
