Bilanx 24" Linear grab bar.

U " Linear grab bar

"The shortest distance between any two points"... The linear grab bar is a clean, undeviating, straight grab bar with two fixing points. Mounted vertically, horizontally, or at an angle, the Linear bar provides support with a classic design.

Linear bar finish options:

Polished - Brushed - Bronze - Matte Black - Brushed Gold

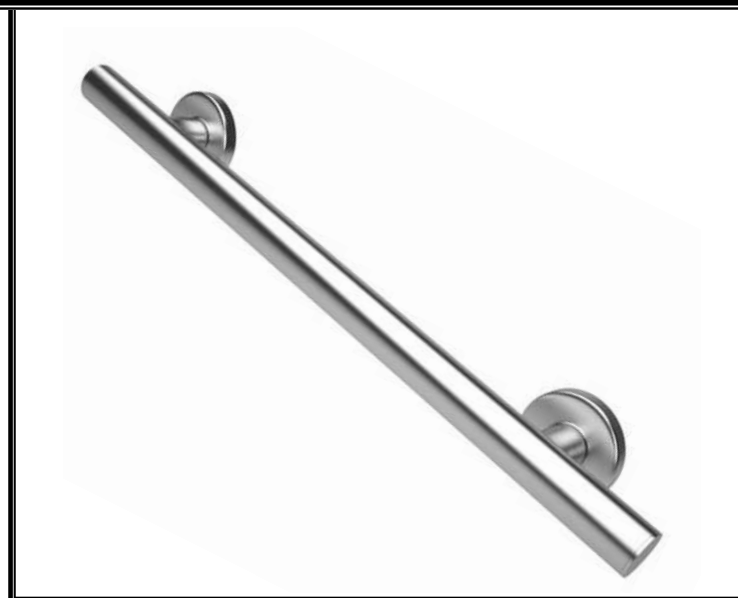

HH-2310PS POLISHED STAINLESS

HH-2310BS BRUSHED STAINLESS

HH-2310ORB OIL RUBBED BRONZE

HH-2310MB MATTE BLACK

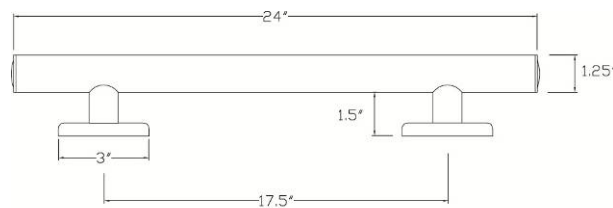

HH-2310BG BRUSHED GOLD

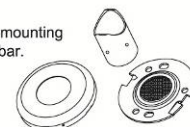

Specifications

The Bilanx Linear grab bar is manufactured using high quality 18 gauge 1.25" diameter 304 stainless steel. The convenient mounting flange post with set screws allow for easy flange access during installation yet preserve the clean finished look of the concealed flange cover. It is preferable to use the 2" wood screws to mount the flanges to wood blocking. The Bilanx Linear grab bar has been tested up to 500lbs exceeding HUD, FHA, VA, ADA, ANSI, and other federal, provincial, and local codes.

All Linear grab bars ship complete with easy to follow instructions, mounting hardware for stud framing.

Easy to mount flange!
3 Set Screws on post allow pre-mounting to the wall before attaching the bar.
